## About This Game

Be ready for a fantastic 3D war and pirateship experience with Son Korsan, an MMO pirateship game.

Enhance your ship, level up and get strong enough to send your enemies to the Davy Jones' Locker. Equip your ship with advanced cannons, elite cannonballs, qualified crew, skilled pirates and many more special items which can help you along the way.

In Son Korsan, you can build your own naval army by creating a guild or joining a current one. You can conquer islands and be an alliance so that you could be the one who rules the great seas.

Take the daily missions, gain more xp and speed up your improvement. Attend the special events such as Olympiad, Soccer, Conquest, War or Scorpion. You can attend the Death Match to prove your challenging soul; or the Galley mode to show off with your historical ship; or make a 5 vs 5 PvP match to show you're a perfect team player. And don't forget to choose a frightening ship design and show your glory as an invincible pirate.

Son Korsan also honours the naval and pirateship history of the Ottoman Empire with its various ships and inspired daily and event tasks. Live the real history within the game.

---

Please note that we use premium currency "Diamonds" to purchase many saleable in-game item in Son Korsan. You can use the diamonds to expand your ship to enhance it, buy elite cannons and cannonballs, elite guns and pirates etc to increase your damage. You can check the available diamond packages from store page and within the game.

b4d347fde0

English,French,Italian,German,Dutch,Turkish

**Curtis** Age: 42 Height: 6'4" Weight: 230lbs Sign: Scorpio

*A quiet, hulking, powerhouse. He is both the storm and the preceding calm. With unruffled, unwavering poise, he dispatches foes with an unworldly power as enigmatic and perplexing as the motives that drive him.*

**Meditate** (AP Boost)

Curtis enters a meditative state and gains bonus defense that round and bonus attack the next.

**Chi Wave - 25AP** (Lvl 1) **MAG**

From one fierce punch, Curtis conjures a powerful wave of chakra energy to blast through multiple foes.

**Mind Read - 5AP** (Lvl 1) **N/A**

Enter the very depths of your enemy's mind to learn their HP, weaknesses, and resistances. A must use on bosses to reveal their health bar, which is hidden at first.

**Suplex - 35AP** (Lvl 5) **ATK**

Defying all odds, Curtis heaves an enemy straight into the sky and sends them cascading into the ground with meteoric intensity!
