The local branches are likewise expected to use their treasuries where they can afford to do so, to ask cooperating local organizations for a contribution towards the general expenses, and by all means take up a heavy collection at every mass meeting.

This money will go for the necessary expenses of conducting a campaign in the state and locally and towards defraying the expenses of delegates to Washington.

In addition to the above, the committee voted that the branches would pay a small graduated flat tax to the National Office to help carry the burden of the overall national campaign. Details on this will be sent you later.

#### PARTICIPATION OF YOUTH GROUPS

Youth councils and college chapters are to be included in full partnership in this campaign. Youth representatives should be asked to serve on the state and local planning committees. In areas where college chapters are outside of local communities they should hold mass meetings on their campuses.

Help to make this Mobilization the biggest and most successful effort of the NAACP. Reach all corners of your community. Make contact with all friendly organizations. Be sure to reach the general population of your area using all methods possible. Keep the national office advised of what you are doing. With your help we can stir up such a wave of sentiment for civil rights that the legislation will be passed in the next session of Congress.

Very sincerely yours,

*Roy Wilkins*
